Warning ▲

- * Always store the earbuds in the charging case and safely protected.
- * Avoid storing the earbuds in hot or cold environments to prevent depletion of the battery capacity
- * Avoid storing the earbuds for extended periods of time without recharging them.
- * If the earbuds or the charging case become dirty, it is recommended to clean them with a soft cloth that has been dampened with clean water.
- * The OS version of mobile devices may affect performance of earbuds, it is recommended to update the OS of your mobile device to the latest version before use.
- * It is strongly recommended to clean and dry the earbuds properly when it has been exposed to water and sweat.
- * Don't put the earbuds into charging case while there is moist, doing so can cause severe damage to the product. Earbuds charging case is not waterproof.
- * Remove from power source once the product is fully charged. Extended periods of over-charging will decrease battery life.
- * Store the product in a dry area. Keep away from fire, heat, moist and erosive materials.
- * Do not use rough chemical such as soap or cleanser to scrub the product.
- * Do not disassemble, damage, or expose the product to water or fire. Warranty will be voided by any misuse of the product.
- * If the battery is expanded or emits smell, stop using the product immediately.
